The theme for the 1987-88 yearbook is "A Commercial Year". This theme is carried throughout the yearbook by the headings on the pages. As you will soon discover each heading is the theme of a television commercial. The yearbook staff chose this theme in hoping to coin some "catchy phrases" to describe the year — and whoelse but advertisers come up with the catchy coinable phrases.

But the staff put more into this yearbook besides headlines. The staff worked hard to present you with a sample of what happened during this year. The wins, the losses, the new faces, the old faces, the traditions, the new happenings, the friendships and the hardships.

We hope you use this yearbook. Use it to re-capture a memory, recall a name or show your children a time when you did something special. So take a "station break" from life and enjoy, "A Commercial Year".

IF YOU LIKE NUTS . . .

IF YOU LIKE NUTS then you will like the junior high students, because if you got to know them this year, you would agree that they were a bunch of nuts.

The junior high had many activities this year: athletics, the annual Scavernger Hunt, and graduation.

The junior high girls had an exceptional year in sports. They had an outstanding year in

volleyball, ending their season with a 4-1 record. Basketball was even better. They won the Johnson-Brock Tourney and ended with a record of 9-1. They boys didn't do as well. They ended their football season with a record of 0-5, and the basketball season with a record of 3-5.

The eighth graders had graduation again this year. It was held on May 23, with 18 students graduating. The class colors were peach and teal, the class flower was a peach rose, and the class motto, "Search for new tomorrows, conquer what you find, but remember that the yesterdays are never far behind."

AVOID THE NOID . . .

This years Freshmen Class of 1991 have just marked off a very interesting and memorable 1987-1988 school year. The class started out the year decorating their portion of the hallway in the hall decorating contest with toilet paper and toilet seats for the Homecoming theme "Wipe Out".

The Freshmen have made quite a statement with their outstanding athletic abilities. Many of the Freshmen are an were involved in Football, Volleyball, Basketball, Track, Band, Chorus, Swing Choir, Stage Band, Drama, FHA and FFA. So far this year there have been two students chosen out of the Freshmen class for Student of the Month and they were Jenny Leatherman and Christie Faesser. Christie Faesser is also the only Freshman on the Future Problem Solving Team.

"There were many changes this year, but we were all able to adapt and adjust."-Janet Richardson.

"Laughter keeps you going all through the day just like a Snickers Bar."-Eric Eichenberger and Bryan Ruegge.

"It's great to see so much school spirit at Pawnee High School, but it's even better to be a part of it."-Christie Faesser.

FRESHMEN

There are four Freshmen going to State this year in Speech and they are: Benjamin Root, Eric Eichenberger, Corina Monarez, and Chris Nicholas. This year there were many Freshmen involved in the school play which also turned out to be a tremendous success.

This year two Freshmen that came back to P.C.H.S. were Don Lannigan and Corina Monarez.

These active Freshmen haven't done much fund-raising yet, but they've been thinking about it. I'm sure their fund-raisers will definitely be something original.

This hasn't been a typical Freshmen year and there's nothing typical about this class, but I'm sure we will all be seeing and hearing a lot more from this class before they become Seniors.

ANOTHER YEAR DOWN TWO

Sophomores — the class of 1990 is a relatively small class filled with a lot of active people. The 17 members of this class are very active in speech, drama, music, athletics, FHA, and FHA.

The Sophomore class is trying hard to catch up on money by holding fund raising events and doing as much as they possibly can to earn extra money. The big money maker was a "Bingo" game involving Mollie the cow. Other money makers involved stuffing envelopes, working concessions at districts and having the dunk tank at Panorama Days.

The class pulled together and showed class spirit by winning the homecoming skit contest with the Sophomore Shuffle rap. The class also won 3rd place in the hall decorating contest with the theme Wipeout being carried out with Mustangs on surf-

boards.

The Class of 1990 was the first class to order their freshman year and receive their class rings at the beginning of this year. This ring shows more than a unity of classmates, but also a class that has a lot of energy, spunk, and fun.

The Commercial theme for this class was the Old El Paso commercial that says if you don't do it our way then, "Get A Rope". This fits the Sophomores perfectly. They are a spicy class that do things their way, or they go after the problem. The Sophomores are at the half-way mark and at the speed they're going the next two years will be full of success.

OUT OF THE ORDINARY . . .

The Pawnee City High School class of 1989 is most definitely Out of the Ordinary.

Their year was filled with discussing, compromising, and yes, a little fighting over plans for prom. And of course, along with Prom goes fund raising. They had a soup supper in February and hosted the concession stand at district basketball tournaments in order to raise the money for prom. And finally, all their hard work paid off . . . prom was a great success and the Juniors deserve all of the credit.

Most of the Juniors are involved in athletics, music, speech, and drama, and FFA and FHA, and along with all of their homework, they kept pretty busy. They only had 2 required classes - English and American History (their favorite) so they got to fill their day's schedule with the classes they were interested in.

Overall, the Juniors had a great year and they're all very much looking forward to next year.

DEW IT TO IT!

Volleyball

"DEW IT TO IT!" is what the volleyball team broke their huddles with this year. The only problem was the only teams that they could "dew it to" were Nebraska City Lourdes and Omaha Cathederal.

At the beginning of the season, the team had many adjustments to make. They had two new coaches, both who had never coached volleyball before. They also felt the pressures of filling all six starting positions. There was a problem with numbers this year, for there were only fourteen girls out — three seniors, four juniors, three sophomores, and four freshmen. The team may have lacked in numbers, but they made up for it in spirit and dedication.

There were two members of the team who received special recognition, seniors Carrie Wenzl and Jody Vetrovsky. Carrie was named All-Conference Honorable Mention and to the second team of the Peru Tourney, while Jody was named All-Conference Honorable Mention.

The girls ended with a 3-17 season. However; next year they will "dew it to" them and try to turn their record around.

GOTTA TAKE A BREAK

The theme for the football team "Gotta Take A Break" was selected because during the hot summer practices you could find the team singing this.

The Pawnee City Indian football team had a rebuilding season as they finished 4-5. The Indians won their first three games by a decisive margin but dropped their next game to state ranked Lewiston.

The Indians won their Homecoming game over the Southeast Mustangs 28-14. However, they lost their remaining four games to teams which were all state rated.

The leading rusher for the Indians was D.J. Weddle who finished with 562 yards. Quarterback Jason Kennedy had a great senior season finishing with 934 yards passing. Kennedy was awarded All-Conference Honorable Mention Quarterback, All Conference Defense, Academic All-State, and Lincoln Journal-Star All State and was also selected for the Eight Man All-Star game. Jim Moyer led the team in tackles with 111. He was awarded All Conference Defense. Jim Bradbury was next with 97 tackles and he received All Conference Offense and Lincoln Journal-Star Honorable Mention.

The Indians also introduced the system of stars and Indianheads placed on helmets for individual honors. A star was awarded for defensive accomplishments while Indianheads were given for offense.

REACH OUT AND TOUCH SOMEONE

Girls Basketball

Reach out and touch someone describes the season of the lady Indians as many games the girls were found in foul trouble. Although their record ended up a dismal 2-17, only defeating Nemaha Valley and Nebraska City Lourdes, the girls gave a great effort and never gave up. The girls met Lincoln Christian in the first round of districts. The lady Indians came out strong, however in the second quarter, the Crusaders took over and controlled the remainder of the game. The Crusaders also made a state tournament appearance. The 1987-88 girls' team started the rebuilding years after having good teams in the 4 previous years. The girls wish the following years good luck and a better taste of the winning feeling.

The lady Indians were represented in the Galaxy Conference by Jody Vetrovsky who received second team honors. She was among three senior members who will always remember their senior parents' night because it was the season's first win. Thanks Mom and Dad.

"We were a small team this year who put out a lot of effort, but came up short when it came to winning games. We didn't have a star this year, so I thought that we worked better as a team, not to mention closer. Overall I thought that our season went well, even though our record doesn't show it."

"This is a difficult one to analyze. Naturally, I had greater expectations, and yet when I stop to think how young and inexperienced we were, we really didn't do all that bad. It was hard to develop any consistency. We showed flashes of brilliance, times where it looked like we could play with anybody that stepped on the floor, and also struggled a few times.

We kept up the attitude and worked hard all year long. This showed in our improving throughout the year. It was a fun, exciting roller coaster type of year.

Since the team doesn't lose much, it looks to be a promising season next year for Pawnee City basketball, one with many peaks and accomplishments."

- Jason D. Kennedy

The Pawnee City Indians had a rebuilding season as they finished at 8-11. Even with the loss of four seniors, three of them starters, the Indians improved on last season's mark. Pawnee City should improve next year with all lettermen returning with the exception of All-Conference selection Jason Kennedy.

The Indians started the season off at 0-2, but then came back to even it up with two wins over Filley and Sterling. In the Sterling game a three-point shot by Kennedy with two seconds left in double overtime gave Pawnee City the victory. When the Galaxy Conference tournament began the Indians were seeded number two. They pounded Nebraska City Lourdes in the first round but then lost a heartbreaker to Omaha Brownell-Talbot in the second round. With three seconds left Chad King made a jump shot to give the Indians the lead, but a half-court shot by Brownell Talbot's Jon Nelson gave the Raiders the win.

Jason Kennedy, the lone senior, received many awards at the end of the season including All-Conference First Team, All-State Honorable Mention, Academic All-State, and was selected to play for an all-star team in Germany. Chad King also received All-Conference Second Team.

Jason Kennedy goes in for two.

Coach King encourages the team.

STAY TUNED FOR . . .

Something new and exciting happened to Pawnee City High School Track this year — it had a lot of participates in both the girls and boys. For the past few years Pawnee City has not had a lot of strength in numbers when it came to track, but that all changed this year. Due to the great participation Pawnee City High School was able to find themselves doing very well at meets this year and winning a few of them too.

Another new and exciting event that took place was the Pawnee City track meet. Pawnee City held a triangular meet here at Pawnee City for the first time in over a decade. The meet went off without a hitch (unless you are counting hurdles) and plans are to continue to host this meet.

The school year has been busy for the Vocal Music Department. It started off in November, when they went to the Galaxy Conference Vocal Music Clinic in Tecumseh. Both the Swing Choir and the Chorus performed as a Mass Choir. The Swing Choir also performed seperately.

On November 6 and 7 the Vocal Department was able to see how their joint venture with the Drama Department turned out. That weekend the production of "How To Succeed In Business Without Really Trying" was performed for the first time to the community.

Christmas brought the usual Vespers Concert. In January the Swing Choir and the Band performed in the Nebraska Choral Association Swing Choir Festival. Many schools throughout Nebraska participated in this event.

During April the Band and Vocal Department competed in the District Music Contest, which was held at Adams, Nebraska.

The PCHS Band was also quite busy. During the first few months of the school year they participated in the Humboldt Parade, Table Rock Parade, and the Pawnee County Fair.

The Pep Band played during the halftimes of the Football and Basketball games.

Last winter the entire band participated in the Star City Parade. This event was held in Lincoln, Nebraska on December 5, 1987. Many schools from around Nebraska participated in this parade. The Star City Parade was televised.

On November 20, 1987 the Band traveled to Aurora to play at All State. They also traveled to Lincoln, so that they could perform in the Nebraska Wesleyan Concert.

"We did the best we could with what little support we had from the student body. I enjoyed cheering, and hope that next year's cheerleaders will have just as much fun and success that we did."

- Jody Vetrovsky

"I had a lot of fun cheering this year!! Cheerleading isn't just wearing a short skirt and chanting a few supporting words once in a while. Its work and it takes a lot of dedication."

- Carrie Wenzl

This year's 1987-1988 Pawnee City Cheerleading squad tried very hard to make the Football, Volleyball, and Basketball seasons exciting. There were only 5 girls this year so they had to try extra hard to make-up for their inexperience since they were all first year cheerleaders.

The Cheerleaders this last year went to a ICF Camp which helped them get ideas for such projects as Homecoming. They also madeup the routine for the new cheerleader try-outs and they all had fun teaching it.

This year's cheerleaders had a rough time in the beginning learning to get along and compromise, but by the end of the season cooperating brought them all closer together.

Catch the Wave.

This years cheerleaders successfully sponsered the '87 Homecoming with the theme being Wipe Out.

For spirit week we dressed up differently each day. On Monday which was hick day, Becky Harnisch was chosen to look more like a hillbilly then anybody else. Tuesday was jersey day. Everybody was to wear a jersey. Names of everybody that wore a jersey was placed in a box. Amy Hunzeker and Clint Johnson won. Wednesday was come as you are. This day the students were to come to school in what they wear at night to bed. Kris Sunneberg was the chosen winner. Thursday was Hawiian Day. Shedera Bausch and Jenny Leatherman were the most imaginative on this day. Friday was black and red day. Jason Kennedy and Becci Cary were winners for this day.

The Freshmen Attendants were Terry Bowhay and Jenny Leatherman. The Sophomore Attendants were Mike Farwell and Shedera Bausch. Junior Attendants were D.J. Weddle and Kris Sunneberg. The Senior Attendants were Jeff Lang and Tammy Droge. Prince and Princess were Mark Blecha and Brenda Wissler. King and Queen were Jason Kennedy and Carrie Wenzl.

This year the hall decorating contest was tough. The Seniors came out on top with their Seniors Suit Me Fine. The Juniors came in second with their Surfin' Safari. The Sophomores came in third with their Wipe Out the Mustangs.

This year the pep rally was held downtown. Each class performed a skit. Surprisingly the Sophomores came out on top, with the Seniors second, and the Juniors third.

That night the football team successfully defeated the Mustangs. The dance was held following the football game. This was a week that was to be remembered.

MUSICAL . . . MUSIC TO YOUR MOUTH

"How to Succeed in Business Without Really Trying" debuted on stage as one of the finest musical productions in years. Its success was in a large part due to the stage background of Mr. Harrison, director magnifico. As Mr. Harrison had worked on various set designs in locales much larger than Pawnee City, his creative hand and talented genius helped to bring the career of a struggling mail clerk to life.

The main story line followed young Pierpont Finch, played by Chad King, as he rose to the top of World Wide Wicket Company using a "How To" book. Other main Characters included Finch's love interest Rosemary, Brenda Wissler; conniving and sly Bud Frump, Ben Root; president of the company J.B. Biggley, Vern Schulte; the beautiful but airheaded mistress of Biggley's, Hedy Larue, Becky Harnisch; and the matchmaker commonly known as Smitty, Stacie Inglis.

Choreography and musical entertainment was under the direction of Mrs. Switzer. Her long hours of patience and expertise proved to be excellent guidelines for the young talent that lit up the stage with the vocal part of the program. Also not to go unnoticed is the hard work of the set, make-up, and direction crews.

This years' Sweetheart dance was once again sponsored by the Future Homemakers of America and Future Farmers of America. Mr. and Mrs. Ferrence were the sponsors for the FFA, and Mr. and Mrs. Kappel were sponsors for the FHA. The evening chosen for this event was on Friday, February 26. The theme was "Still of the Night" by the popular group Whitesnake. The decoations were of the colors blue and silver to make it into a night scene. Once again the music was sponsored by Tracey Johnson of KFRX for the second year in a row. Senior Sweetheart Royalty this year was: Queen- Trish Karas, King- Russ Smith, Princess- Melissa Dorsch, Prince- Ryan Brown, Senior Attendants- Kim Burgess, and Mark Blecha.

GIVE ME A LIGHT

The 1987-88 Speech and One Act teams had a very exciting year. The teams were coached by Mr. Harrison, head of the Speech/Drama department.

Pawnee City hosted the Galaxy Speech competition this year, and also held Sandwich Theater which proved to be a new and prosperous experience for everyone. The speech team was quite large this year with seventeen members, six of which went on to state competition. Becky Harnisch qualified in Serious Prose. The O.I.D. Eric Eichenberger, Chris Nicholas, Benjamin Root, Jason Albers, and Corina Monnarez with their impression of Fantastiks. Corina placed first in state poetry out of 60.

The One Act play with Becky Harnisch, Benjamin Root, Jason Albers and Stacie Inflis also went to state competition with "Impromptu." Stacie Inglis received best actress award at District competition.

The commercial Give Me a Light best fits the Speech and One Act. they all did a very good job this year, and received the bright lights in many new and exciting ways.

A TOUCH OF CLASS

The most magical night of the year April 16, 1988 — PROM — was hosted by the Class of 1989 with "A Touch of Class". For one evening we pretended that we really were grown up, and that we had been transported, complete with top hats, canes, and evening gowns, to New York City.

As the guests were escorted to their seats in the elegant dining room, they may have felt as if they were dining at the Ritz. The view from the ballroom was that of skyscrapers and the city skyline at midnight.

Welcoming the guests to this gala event was Junior class President, Jim Bradbury, and responding for the Senior class was Emiley Stallbaumer. The floor show was performed by the waiters and waitresses, and music for dancing was provided by Joe Blood of Z92.

Following a PCHS tradition the Senior class prepared its last will and testament, as well as the class prophecy. These were read by Jason Auxier and D.J. Weddle.

Helping the Junior class add just the right touches to make this a truly special evening were Mrs. Rita Weilage and Mr. Alan Strong, the class sponsors.

When the princesses could stand their glass slippers no longer, and when the gentlemen's ties and cummerbunds were beginning to pinch, we adjourned to the Casino where time and money was no object. For the third year, our community provided us with post-prom entertainment, food, prizes, a non-alcoholic bar, and fun that continued throughout the night.

As the sun came up, New York City faded away, and we were left with "classy" memories of Prom '88.

Jim Bradbury asks Mike Gyhra, "Did you hear the one about . . ."

SAY HELLO TO A GOOD BYE

The graduating class of 1988 gathered together for the last time at 2:30 on May 15, 1988. They were there to celebrate the climax of their school years. After 13 years of school all 19 members of the class were now ready to step away from a world they had known from age 5-18 and step into a world they will be members of from now on.

Dr. Paul Kennedy of UNO helped the graduates reflect on their memories and accomplishments not only from this year, but from ones past. Graduates had time to remember good times, bad times and maybe even embarassing times spent at Pawnee City Public Schools.

At the beginning of the school year this moment — Commencement — seemed so far away. There were so many decisions to make — college, work, or maybe more important at the time, "what colors to wear for graduation?" But sitting in the gymnasium all of that was decided and right in front of them.

Now it is 3:30, graduation is over and it is time to take the final walk out of the gym and off of the school property and go into the world and on to the goals and dreams.

Brenda Klepper and Emiley Stallbaumer entertain guests and graduates with music.
